

Want Peace of Mind?

The Loss Damage Waiver Delivers
Protection from a Host of Nasty Disasters

In these uncertain times, it's more important than ever to protect yourself against what life throws at you.

Meet the Loss Damage Waiver, an add-on service for your container lease that protects you financially in case of damage or destruction by natural events or third-party vehicle collision.

What does the Loss Damage Waiver cover?

- Vehicular Collision
- Earthquake
- Explosion
- Fire
- Floods
- Hail
- Lightning
- Tornado
- Windstorm
- Smoke

Benefits:

- Low monthly payment
- No need to file a claim with an insurance company
- No need to pay us for the covered loss
- Deductibles under damage waiver coverage are likely lower than deductibles under your existing insurance coverage

Note: The Damage Waiver is not insurance — it is a fee you pay as part of your lease that relieves you from financial liability to us if the container is damaged from certain causes.
