Customer Ratings and Reviews

“ Rented a unit 8 months ago and have not had any issues. We called customer service twice with some questions and they were kind enough to send out a representative who answered all of our questions onsite! Best customer service ever! ”

– Rocky (Construction Industry)

A robust selection of accessories to help you get down to business easier and faster when you order a portable storage, office, or combo container.

Folding Tables & Chairs

Get business done. Our sturdy folding table and chairs will complement your interior space and eliminate the hassle of ordering office furniture from other suppliers. Available for all units.

Note: that table and chair style will vary by region.

High-Security Puck Lock

A robust, tamper-resistant lock designed for shipping containers, ensuring maximum security and peace of mind by safeguarding what's yours.

High-Security HASP Lock

Designed for an extra measure of security.

- Made of steel for maximum strength and durability
- Compatible with a hidden shackle puck lock
- Available on all units

Plan Tables

Get a sturdy yet economical solution for blueprint review.

- Ideal for construction superintendents, foremen and architects
- Surface has a plan lip to ensure your plans remain on the table
- Measurements are: 6'8" W x 3'0" D x 3'1" H
- Available for office and combo units

Pipe Racks

Store a variety of sizes of pipes.

- Available with four (4) solid steel support arms
- Ideal for construction applications, allowing you to maximize material storage efficiency
- Facilitates maximum utilization of your portable storage container
- Available for storage units; ask about combo solutions

Exterior Security Solar Light

With an energy-efficient solar-powered design, it's 300% brighter than standard solar lights. Easily mountable with magnets, motion activated, and featuring three adjustable heads for precise lighting. Durable and long-lasting.

Interior Rechargeable Light

Experience ultimate versatility with our interior rechargeable lighting solution. Featuring three brightness levels, an impressive 82 ft beam distance, magnetic or hook mounting options, a rechargeable battery, and adjustable handles and hooks for precise light positioning.

Mini Blinds

Transform your shipping container with sleek mini blinds. Achieve privacy and style in compact spaces with easy-to-install blinds.

Shelving Brackets

Organize your items neatly.

- Available with three (3) 1,100 lb-rated support arms
- Ideal space-saving and organizing solutions
- Available for storage units; ask about combo solutions

Note: only the shelving brackets included, shelf material supplied by the customer

Dry Erase Boards

Increase productivity on the jobsite with an easily accessible white board. White melamine surface resists scratching. Built with a durable aluminum frame.

Note: that dry erase board styles vary by region.

Protection Plans

Protect your container and everything inside it with our flexible Loss Damage Waiver and Contents Insurance options—designed to minimize risk, simplify claims, and give you peace of mind.

High-Security Block Lock

Secure your shipping container effortlessly with the innovative high-security block lock. Trustworthy protection for your valuable cargo, anytime, anywhere.

Cork Boards

Keep employees informed of bulletins and announcements with our heavy-gauge framed cork boards.

Note: that cork board styles vary by region.

Elite Office Bundle

Furnish your container office with ergonomic, durable essentials—including a desk, task chair, pedestal file cabinet, chair floor mat, and dry-erase board—delivered together for maximum convenience, comfort, and productivity from day one.

Ask your representative for more information about our Damage Waiver or additional upgrade options specific to your location!
